

SCIENCE ON A PLATE

Free 2 Day Science PD, fully catered

- Build confidence in teaching Science
- Design a STEM lesson
- Usable and practical ideas for the classroom
- Build a network of Primary Science Teachers
- Share activities with other educators
- ...and that's just the beginning!!

Monday 13 & Tuesday 14 November 9am to 3:30pm

Darnum Public Hall (Hosted by Darnum Primary School)

Hosted by Jules White & Peter Earnshaw from Earth Ed Specialist Maths Science Centre in Mount Clear.

This program is designed to develop confidence in the delivery of science for **both new and experienced primary teachers**.

Both days will be divided into 3 main sessions, and will include:

- Biology & Big Ideas
- Earth Sciences & Misconceptions
- Developing Lessons & Activities
- Chemistry & Hooks
- Physics & Multiple Answers
- Feast on Science (activity sharing) & Finishing Strong
